

## UQ School of Music

### Locker Allocations

#### Purpose

The School of Music provides lockers to students who are studying an orchestral instrument so that they can safely secure their performance instruments while on campus.

#### Terms and Conditions

1. Lockers are available for hire by BMus(Hons) students studying an instrument other than piano or the human voice for the duration of their performance studies with the School of Music.
2. The cost of hiring a locker is \$25.
3. The hire of the locker ends when ceasing performance studies with the School of Music. For example: on not enrolling in the BMus(Hons) program for a semester; on graduation from the BMus(Hons) program; after completion of MUSC4211 in a dual degree program; after completion of MUSC2201 if not taking a music performance major in year three.
4. The locker must be left unlocked when the hire of the locker ends.
5. Any items left in the locker when the hire of the locker ends become the property of the School of Music.
6. From 1 April, any lockers not already hired by BMus(Hons) students are available for hire by other students enrolled in School of Music courses for the remainder of that year only.

#### Application Process

1. Contact the School Office at [music@uq.edu.au](mailto:music@uq.edu.au) and confirm there is a locker of a suitable size for your instrument available for hire.
2. Pay the \$25 locker hire fee using the [online payment form](#).
3. Provide your receipt to the School Office, and you will be assigned a locker.
